# EDUCATION

 **Advanced**  **Strategic**  **Impactful**

## PROGRAM OVERVIEW

The Master of Arts in Education is designed to prepare educators and educational leaders to strengthen their teaching practice, expand their leadership skills, and make a meaningful impact in diverse educational settings. The program integrates foundational and contemporary theories of teaching and learning with evidence-based instructional strategies, assessment and evaluation, educational leadership, technology and innovation, and research. Students develop the knowledge and practical skills to lead change, make data-informed decisions, and address current educational challenges while integrating a Christ-centered philosophy of education into their professional practice.

## FORMAT & SCHEDULE

This 100% online program is designed for working professionals, providing the flexibility to pursue graduate education while continuing to serve in their careers and communities. The program launches in Fall 2027 and combines practical, evidence-based coursework with a culminating integrative research and capstone project.
